SECTION D

SINGLE BLOOMS *This section has been established to highlight the outstanding beauty of individual lily flowers, and to demonstrate the wide diversity of colour within the genus *lilium*.*

30. Single lily bloom of unnamed hybrid seedling grown from seed by the exhibitor. No named lilies may be entered in this class. An exhibitor may enter a maximum of 10 entries in this class.

31. Collection of three lily blooms. Each entry will consist of three different named lily flowers - each flower must be in a separate container and be properly named. Only named clones, strains or hybrid groups may be entered in a collection in this class.

SECTION E

SINGLE STEMS OF UNNAMED HYBRID LILIES GROWN FROM SEED BY THE EXHIBITOR *This section has been established to encourage the development of new hybrid lilies. A major factor in judging seedlings will be distinctiveness and/or improvements on existing cultivars. This section is to be judged considering the Lighty system of point scoring. Judges should judge the reds and pinks in daylight to evaluate the true colours of the blooms. There is no limit to the number of entries an exhibitor may make in this section provided each entry is a different seedling.*

32. Asiatic seedlings - upfacing (Div. Ia)
 33. Asiatic seedlings - outfacing (Div. Ib)
 34. Asiatic seedlings - pendant (Div. Ic)
 35. Trumpet and Aurelian seedlings (Div. VI)
 36. Oriental seedlings (Div. VII)
 37. Seedlings from divisions not represented by classes 32 to 36

SECTION F

SINGLE STEMS OF LILIUM SPECIES AND THEIR NATURAL VARIANTS *An exhibitor may make any number of entries provided each entry is a different species or variant. Each species will be judged as a separate sub-class.*

38. Single stem of a Lilium species or its variant

SECTION G

SINGLE STEMS OF NAMED HYBRID CLONES, STRAINS OR HYBRID GROUPS EXHIBITED BY A NOVICE *A novice is an exhibitor who has not previously won the Gordon Brown Award (Novice Award) or a first place ribbon in any other class, other than one specifically open to novice growers, at any NALS recognized show.*

39. Single stem of a named hybrid lily clone, strain, or hybrid group

SECTION H

CONTAINER GROWN LILIES *A section established to demonstrate the use of lilies for container culture. There is no limit to the number of entries an exhibitor may make in this section provided each entry is a different variety.*

40. Single lily growing in a container
 41. Three or more lilies growing in a container

RULES AND INFORMATION FOR THE HORTICULTURAL DIVISION

1. Stems must be grown by the exhibitor(s). Only one entry per family garden per cultivar in a class.
2. The Classification Committee will be on hand to help identify entries if required, but all labelling and placing of the entries is the responsibility of the exhibitor.
3. In cases of disagreement as to the interpretation of the rules, or in matters not laid down in them, the decision of the Show Committee will be final.
4. During the show, exhibits should not be touched except by the owner. It is forbidden to remove anthers and pollen without the consent of the owner.
5. Anthers may be removed to prevent staining the petals during transportation. **It is preferable to leave them on whenever possible.**
6. Single bloom entries necessitate the complete flower--pedicel, tepals, and anthers. **Blooms should be as fresh as possible.**
7. Exhibitors may not remove their entries until 3:00 p.m. of the last day of the show. Exhibitors who cannot be available to remove entries or accept their awards and ribbons are advised that awards will be forwarded to them shortly after the show.
8. Winners of the major awards will receive a gift from the Society.
9. Unnamed seedlings should be designated by number and/or parentage if known.
10. Abnormalities such as fasciated stems should not be entered in competitive classes.
11. First, Second and Third prize ribbons will be awarded in each class or sub-class at the discretion of the judges. Honourable Mention ribbons may be awarded to other worthy entries.
12. Entries can be placed on Friday, July 5 from 5:00 p.m. to 8:00 p.m. and Saturday, July 6 from 8:00 a.m. to 10:00 a.m.
13. **Please bring your lilies as early as possible since the Classification Committee must begin their work promptly at 10:00 a.m. to set up sub-classes, etc.** Sub-classes may be added in any Section at the discretion of the Classification Committee.
14. Judging commences promptly at 11:00 a.m., Saturday, July 6.
15. The decision of the judges is final.

Comments:

Single Blooms – A Method of Judging

The judging of individual lily blooms is quite different from judging lily stems, yet in many ways a similarity of the two exists. The primary consideration in judging both is Condition.
